

# Cost/Payment Schedules

## Traveling Team

Player accommodations **ARE** included in dues for all overnight tournaments. As a member you are obligated to pay dues and to make sure you're current with any outstanding fees, players will be benched from practices and tournaments until up-to-date. Although the costs from NCVA have increased, the club cost will not increase at this time. Any dues left over will start the new season and partial funds will go to scholarships. If all dues aren't collected, than there are fewer funds to start with and the slower the process is for receiving uniforms, registering for tournaments, etc. We are always looking into fundraisers to help pay for additional costs and scholarships.
